The mid-century modern desert oasis is as popular as it was in its glory days.

Eat & Drink: Workshop Kitchen + Bar

The colonial facade of this eatery conceals an industrial-chic interior by New York's [Soma Architects](#) — named the best restaurant design in the Americas In 2013. Chef Michael Beckman's playful, eco-conscious take on classic American fare has proven a winner with diners too; try the duck fat fries, the scallops with bacon, and The Southside Treatment cocktail, which includes avocado! 800 North Palm Canyon Drive, +1 760 459 3451; [workshoppalmsprings.com](#).
